Now Christ is our Redeemer, Deliverer, Reconciler, Mediator, Intercessor, Advocate, Attorney, Solicitor, our Hope, Comfort, Shield, Protection, Defender, Strength, Health, Satisfaction, and Salvation. His blood, his death, all that he ever did, is ours. And Christ himself, with all that he is or can do, is ours. His blood-shedding and all that he did, does me as good service as though I myself had done it. And God, as great as he is, is mine, with all that he hath, as a husband is his wife's, through Christ and his purchasing.

William Tyndale
